Identity Theft Protection Plus Privacy and Reputation Management from IDShield

The identity theft protection plan, administered by IDShield, covers you under the Individual Plan and can be extended to your spouse/domestic partner and dependent children. *

IDShield:

- Monitors personal identifiable information such as social security numbers, passport numbers, driver's licenses, bank accounts, medical id's, login credentials, user id's and immediately alerts you if any risk is detected
- Assign a licensed private investigator to restore your identity to pre-theft status in the case of identity theft—including pre-existing events.
- Comes with an Unlimited Service Guarantee and a \$3 Million Identity Fraud Protection Plan
- Assign identity theft specialists available for consultation and advice about identity theft or online privacy concerns.
- Provides 24/7/365 emergency support, as well as a mobile app, which you can use to check your monthly credit score, review identity threat alerts, and obtain emergency assistance

The cost is \$18.95 per month. To learn more about IDShield, visit www.shieldbenefits.com/coveraa

*IDShield is a product of Pre-Paid Legal Services, Inc. ("PPLSI"), providing access to identity theft protection and restoration services. IDShield plans are available at individual or family rates. A family plan covers the named member, named member's spouse or domestic partner and eligible dependent children under the age of 18. Consultation and restoration services are available for eligible dependent children ages 18 to 26 who permanently reside in the same residence as the named member. All Licensed Private Investigators are licensed in the state of Oklahoma. An Identity Fraud Protection Plan ("Plan") is issued through a nationally recognized carrier. PPLSI is not an insurance carrier. This covers certain fraud expenses and legal costs as a result of a covered identity fraud event. See a Plan for complete terms, coverage, conditions, limitations, and family members who are eligible under the Plan.
